I have been involved with evaluating and treating students on campus for over 30 years. After completing my doctoral work, I took a position as Senior Psychologist in the Counseling Center at Colorado State University. I have held several administrative positions at Colorado State University including being the Director of the Counseling Center for over 20 years and eventually serving as Executive Director of Wellness Programs covering the Counseling Center, Student Health Center, and Student Recreation Center.

In addition to my Counseling Center work, I held a joint academic appointment in the Psychology Department for over 30 years. I taught one or two courses each year in the Counseling Psychology doctoral program in my specialty areas of career development, psychodiagnostics, and psychotherapy. I co-authored a text on psychological testing that is in its 6<sup>th</sup> revision.

I continue to be active professionally. I consult with practioners in private practice providing assistance with client diagnosis and treatment implications. I have very active in AUCCCD serving on the Governing Board and being Treasurer of the organization for 21 years. I was honored by my AUCCCD colleagues as a recipient of the organization's Lifetime Achievement Award in 2006.

I am a Past President of IACS, have served two terms on the Accreditation Board, and continue to review materials for accreditation considerations.
